

# Welcome to the Bald Head Island Conservancy Campus!

We have educational programs running all week, but did you know that our campus is home to **snakes, turtles, sea stars, hermit crabs, and more?**

Explore the Barrier Island Study Center and the Fleming Environmental Center and learn more about our exhibits by scanning the **QR codes** located at each display!

- **No app download needed:** simply aim your smartphone camera at the unique code and follow the link that appears!
- **No admission fee** required to view the animals and exhibits.
